Weather/Emergency Cancellation Policy

Public Policy

March 2021

As a rule, The Tabernacle will remain open for Sunday services and scheduled events. If for some reason a Tabernacle service/event is cancelled due to emergency or inclement weather situations, an announcement will be issued through Tabernacle social media platforms. When possible, an e-mail will be sent out for major cancellations due to weather or other building closings (due to power outages, etc.). Until an official closing announcement is issued, members of our congregation may assume that services/activities will continue as normal.

Those who choose to participate in Tabernacle services/events during inclement weather conditions are encouraged to consider their personal safety and the safety of others when traveling or attending.

If Buckley or Manistee Schools have been closed or dismissed early due to inclement weather, The Tabernacle will cancel all mid-week student activities.

The Tabernacle Leadership Team will be responsible for determining if and when cancelled events will be rescheduled. This information will be communicated to members of the congregation through The Tabernacle social media platforms and, if appropriate, via email.
