THE TABERNACLE SERMON NOTES

SCRIPTURE SUMMARY

WHAT DOES IT SAY?

In each of the seven letters, the description God uses of Himself perfectly suits the condition of the particular church addressed. God has a unique way of meeting us perfectly right where we are at and it would seem there is no difference in the letters to the churches of Revelation. We will examine the final three letters and the application to them and us today. God has had the same message to the church for thousands of years. We should be grateful for His patience with us as we continue to struggle with the same issues in 2024.

SMALL GROUP NOTES

GROUND RULES

What's said in a group stays in the group. Vulnerability is necessary to build relationships that allow us to confess sin. That doesn't happen without a level of confidentiality. Another's confession is not dinner conversation.

Hold yourself and others accountable. As iron sharpens iron, one man sharpens another. We allow the Holy Spirit to be the Holy Spirit, but we hold each other accountable to pursue righteousness. To do this we must first examine ourselves.

Show Me.

We wrestle with the Word. Often we see things differently. We call these small rocks, but God's Word always has the final say.

WHAT DOES IT MEAN FOR ME?

Application Questions

- If you were going to get a personal letter, which church letter would it resemble? Why?
- Is it possible for a church to do no good, like Laodiciea? • How are we to live in light of the promises to these three churches? • How will you wake up, keep it up, or get fired up today? **CHALLENGE:** What am I going to do now? • Commit to reading ahead each week. Next week's passage is Revelation 3:1-22. • Get fired up, and be ready to share whatGod placed on your heart with the group. **NOTES:**
