

THE TABERNACLE SERMON NOTES

SCRIPTURE SUMMARY

The seven seals represent a property deed in Jewish culture. John weeps with a desire to see the full redemption of humanity but knows this cannot happen if the scrolls are not opened. Enter Jesus, the slain Lamb full of power and knowledge, seated in front of the scroll at the right hand of God. At this, all those redeemed have no response but to worship Him.

- Based on your understanding of the text, how does this impact your worship of God?

SMALL GROUP NOTES

GROUND RULES

What's said in a group stays in the group.

Vulnerability is necessary to build relationships that allow us to confess sin. That doesn't happen without a level of confidentiality. Another's confession is not dinner conversation.

Hold yourself and others accountable.

As iron sharpens iron, one man sharpens another. We allow the Holy Spirit to be the Holy Spirit, but we hold each other accountable to pursue righteousness. To do this we must first examine ourselves.

Show Me.

We wrestle with the Word. Often we see things differently. We call these small rocks, but God's Word always has the final say.

WHAT DOES IT MEAN FOR ME?

Application Questions

- Romans 8:22-23 says creation groans, what does that say to you?
- How has redemption, held inside the scroll, impacted your life?
- Because the scroll is sealed, what does that say about a works based gospel?
- How does a proper understanding of God effect how we respond to Him?

CHALLENGE:

What am I going to do now?

- Find a space this week to worship God for who He is. Consider ways other than music.
 - Tell one person that you are going to do this and share with them when you do.
